Home Inspector Complaint

What we can do for you –

The Division of Real Estate (DRE) will investigate complaints to determine if there has been unlawful or unprofessional conduct by a home inspector. The investigation process can be lengthy depending upon a variety of factors inside and outside of our control. All complaints, that are not anonymously submitted, are acknowledged in writing and you will be notified when DRE has closed the issue.

We will make every effort to keep your identity confidential during the investigation. However, the Prosecutions Unit may require your testimony in an administrative proceeding. You may be required to appear as a witness and be subject to cross-examination.

What we cannot do for you –

- We cannot provide legal advice or act as your attorney.
- We cannot order the refund of fees, award damages, or enforce contracts.
- We cannot order home inspectors to compensate you for damaged items.
- We cannot change the outcome of a home inspection report.

Please type or print legibly and clearly. You must retain a copy of this form for your records, no copies will be provided.
