Division of Professional Regulation

All applicants for nail technician licensure are required to take the Illinois licensure examination.

Please register for the Licensed Nail Technician examination with Continental Testing Services, Inc.

You may register for the examination on the testing service's website at www.continentaltestinginc.com. Follow the links to complete the Online Nail Technician Application.

Any questions regarding the process to register for the exam should be directed to the testing service at (708) 354-9911 ext. 107.
