### VARIANCE

Pursuant to the authority granted to me by 68 Illinois Administrative Code 1330.70, I hereby grant a Variance to the provisions of 68 Illinois Administrative Code 1330.330(d), which states that an applicant may work as a registered pharmacist for up to 60 days prior to the issuance of a certificate of registration upon receipt of a notice from the Division that the examination was successfully completed.

The purpose of this Variance is to vary 68 Illinois Administrative Code 1330.330(d) to remove the 60 days limitation for an applicant to work as a registered pharmacist prior to the issuance of a certificate of registration.

This Variance is in no way intended to waive or modify any statute, rule or regulation concerning the licensure or practice of pharmacy. The Applicant shall comply with all additional rules and regulations contained in the Pharmacy Practice Act, et seq., and the rules promulgated thereto. This variance shall expire one year after signing.

I have determined that the provision from which this Variance is granted is not statutorily mandated; no party will be injured by the granting of this Variance; and the rules from which this Variance is granted would, in this particular case, be unreasonable.
