LICENSURE METHODS AND DEFINITIONS

Following are definitions of the various methods used in issuing licenses for professionals in the State of Illinois. Some of these licensure methods may not be applicable to your profession. Refer to the enclosed instruction sheet to determine the specific licensure methods/requirements for your profession.

Licensure Methods	Definition
Examination	Applicant has applied or is required to take and pass all or a portion of an exam scheduled and/or given by the Department or a representative of the Department.
Endorsement of License	Original license issued in another state and that state's requirements were substantially equivalent to Illinois requirements at time license was issued.
Acceptance of Examination	Applicant has taken a National Exam, referred to by Illinois statute, in any state. Applicant may or may not be licensed in another state.
Restoration	Applicant has previously been licensed in State of Illinois and has allowed license to lapse long enough to require reapplication. Possible exam passage and/or committee review.
Grandfather/Waiver	Applicant will be licensed without regard to current requirements because statute allows this based on past qualification and practices (for a specified time only).
Non-examination	Applicant is licensed by meeting qualifications required by statute. There is no exam for these professions. These can be either businesses or individuals.

IMPORTANT NOTICE Elder and Child Abuse Reporting
