This document outlines the process for the Qualifying Applicant, Social Equity Justice Involved, and Tied Applicant Lotteries. Using a specialized computer, the Illinois Lottery will conduct a drawing of all eligible applicants that will be ranked in a random order. IDFPR will use the ranking to determine who may qualify for a Conditional License.

**Cannabis Lottery Process**

1. **Number Assignment**
   - Each eligible application is assigned a lottery number.
   - IDFPR publishes this list.
   - IDFPR provides the Lottery with the population of eligible applicants for each BLS Region.

2. **Lottery Process**
   - The Illinois Lottery uses a computer-based draw process to randomly draw numbers.
   - After the auditor verifies the drawing results, the Lottery provides the drawing results to IDFPR.

3. **Verification**
   - IDFPR matches the lottery numbers drawn to the applicant names.
   - IDFPR publishes the results on its website.

4. **Results**
