STATE AGENCY, BOARD OR COMMISSION  
**PODIATRY MANDATORY REPORT**  
PODIATRIC MEDICAL LICENSING BOARD

**GENERAL INSTRUCTIONS**

All agencies, boards, commissions, departments, or other instrumentalities of the government of the State of Illinois shall report to the Podiatric Medical Licensing Board any instance arising in connection with the operations of such agency, including the administration of any law by such agency, in which a podiatric physician licensed under the Illinois Podiatric Medical Practice Act has either committed an act or acts that may be a violation of the Act or that may constitute unprofessional conduct related directly to patient care or that indicates that a podiatric physician licensed under the Act may have a mental or physical disability that may endanger patients under that physician's care.

Reports must be filed with the Podiatric Medical Licensing Board in writing within 60 days after a determination that a report is required.

This report contains two parts.

Part 1 seeks basic information concerning the person making the report, the licensed individual who is the subject of the report, and any patient who may have been injured or endangered as a result of the licensed individual's conduct or disability.

Part 2 seeks specific information concerning the conduct or disability of the licensed individual and any administrative or judicial action which may have resulted.

Both parts must be filled out completely. Where requested, **identify and attach explanatory documentation** which will be helpful to the Podiatric Medical Licensing Board in determining whether further investigation is warranted, except that no medical records may be revealed without the written consent of the patient.

The law requires that this report be kept strictly confidential. All communications regarding this report should be addressed only to authorized persons.

The law further provides that any individual or organization acting in good faith, and not in a willful and wanton manner, in complying with this law by providing any report or other information to the Board, or assisting in the investigation or preparation of such information, or by participating in proceedings of the Board, shall not, as a result of such actions, be subject to criminal prosecution or civil damages.
