- (iv) Restore all aspects of the Bank to a safe and sound condition, including capital adequacy, asset quality, management effectiveness, earnings, liquidity, and sensitivity to interest rate risk.

MANAGEMENT PLAN

2. (a) Within ninety (90) days from the effective date of this ORDER, the Bank shall develop a written analysis and assessment of the Bank's management needs ("**Management Study**"), which is acceptable to the Regional Director of the FDIC's Chicago Regional Office ("**Regional Director**") and the Division, for the purpose of providing qualified management for the Bank.

BOARD PARTICIPATION

3. (a) As of the effective date of this ORDER, the Bank's board of directors shall increase its participation in the affairs of the Bank, assuming full responsibility for the approval of sound policies and objectives and for the supervision of all of the Bank's activities, consistent with the role and expertise commonly expected for directors of Banks of comparable size. Should the implementation of the plan involve public distribution of Bank securities, including a distribution limited only to the Bank's existing shareholders, the Bank shall

prepare detailed offering materials fully describing the securities being offered, including an accurate description of the financial condition of the Bank and the circumstances giving rise to the offering, and other material disclosures necessary to comply with Federal securities laws. Any changes requested to be made in the materials by the FDIC or the Division shall be made prior to their dissemination.

(c) In complying with the provisions of this paragraph, the Bank shall provide to any subscriber and/or purchaser of Bank securities written notice of any planned or existing development or other changes which are materially different from the information reflected in any offering materials used in connection with the sale of Bank securities. The written notice required by this paragraph shall be furnished within ten (10) calendar days of the date any material development or change was planned or occurred, whichever is

5. Within ten (10) days from the effective date of this ORDER, the Bank shall charge off from its books and records any loan classified "Loss" in the Report of Examination dated October 13, 2009 ("ROE") that have not been previously collected or charged-off.

6. (a) As of the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower who is already obligated in any manner to the Bank on any extension of credit (including any portion thereof) that has been charged off the books of the Bank or classified "Loss" in the ROE, so long as such credit remains uncollected.

(b) As of the effective date of this ORDER, the Bank shall not extend, directly or indirectly, any additional credit to, or for the benefit of, any borrower whose loan or other credit has been classified "Substandard", "Doubtful", or is listed for Special Mention in the ROE, and is uncollected unless the Bank's board of directors has adopted, prior to such extension of credit, a detailed written statement giving the reasons why such extension of credit is in the best interest of

the Bank. A copy of the statement shall be signed by each Director, and incorporated in the minutes of the applicable board of directors' meeting. A copy of the statement shall be placed in the appropriate loan file.

The minutes of the board meeting at which such review is undertaken shall indicate the findings of the review, the amount of increase in the ALLL recommended, if any, and the basis for determination of the amount of ALLL provided. In making these determinations, the

board of directors shall consider the FFIEC Instructions for the Reports of Condition and Income and any analysis of the Bank's ALLL provided by the FDIC or the Division.

(b) ALLL entries required by this paragraph shall be made prior to any capital determinations required by this ORDER.
