CORE – New User Account

1. Go to the following URL: <https://ildfprprod.state-reg.tylerapp.com/portal/public>
2. Choose “Sign In” – located at the top right of screen.

3. Choose “Sign up” – located at the bottom of the screen.

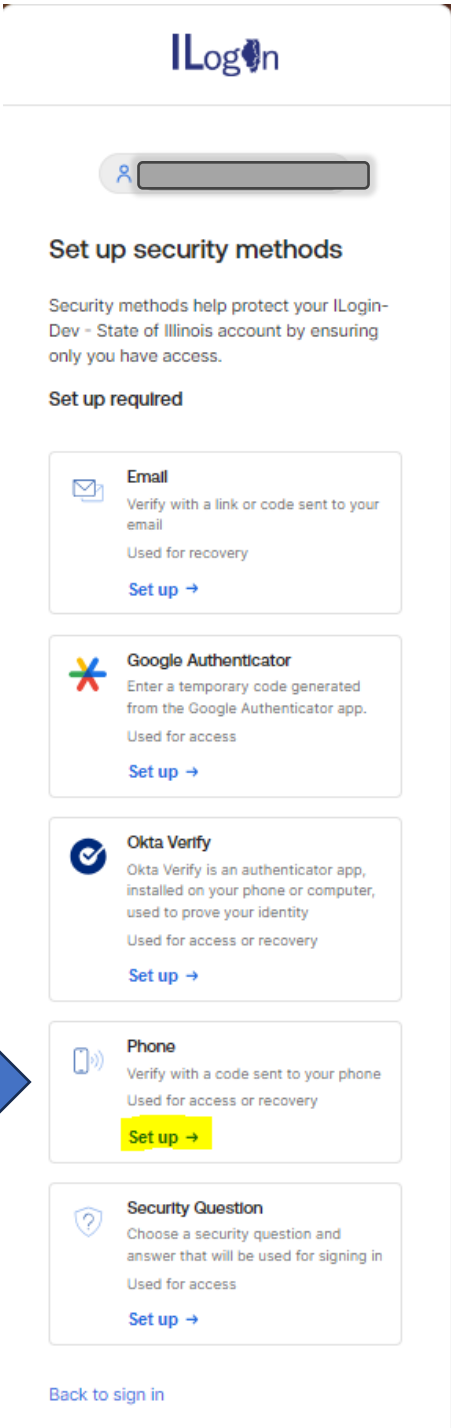

4. Enter your Email, First Name, Last Name, and create a password that meets the requirements, then click "Sign Up."

The image shows a screenshot of the ILogon sign-up interface. On the left, the 'Sign up' form is displayed with the following fields: 'Email' (filled with 'fake1@fake.com'), 'First name' (filled with 'Bob'), 'Last name' (filled with 'Smith'), 'Honorable suffix' (optional, empty), and 'Middle name or initial' (optional, empty). A note states 'Fields are required unless marked optional.' On the right, the 'Password requirements' are listed with green checkmarks: 'At least 8 characters', 'A lowercase letter', 'An uppercase letter', 'A number', 'A symbol', 'No parts of your username', 'Does not include your first name', and 'Does not include your last name'. Below these requirements is a 'Password' field (masked with dots) and a blue 'Sign Up' button. At the bottom right, there is a link: 'Already have an account? [Sign In](#)'.

5. Select a security method and click "Setup." (For this example, "Phone" was selected.)

6. Enter your phone number and select "Receive a code via SMS."

ILogin

[Set up ->](#)

[Back to sign in](#)

ILogin

Set up phone authentication

Enter your phone number to receive a verification code via SMS.

SMS
 Voice call

Country/region

United States 

Phone number

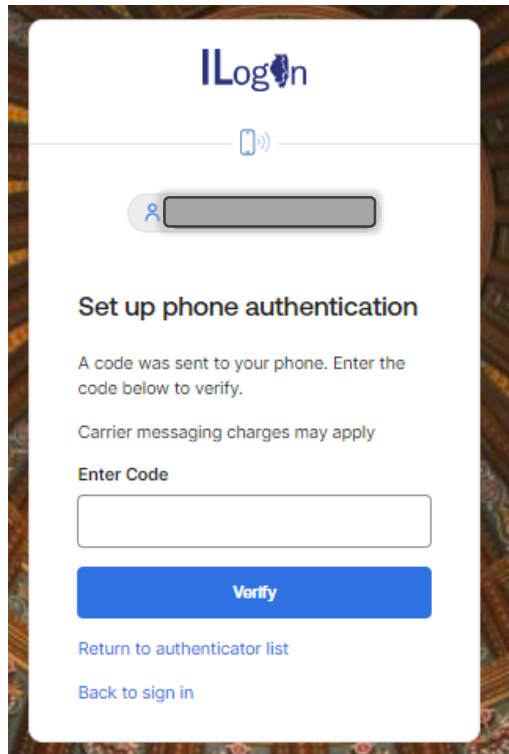

+1 217-555-5555

[Receive a code via SMS](#)

[Return to authenticator list](#)

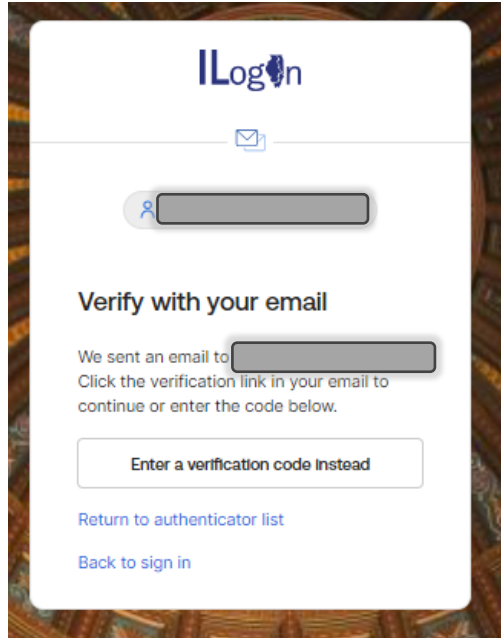

[Back to sign in](#)

7. Enter the code in the space provided and click "Verify."

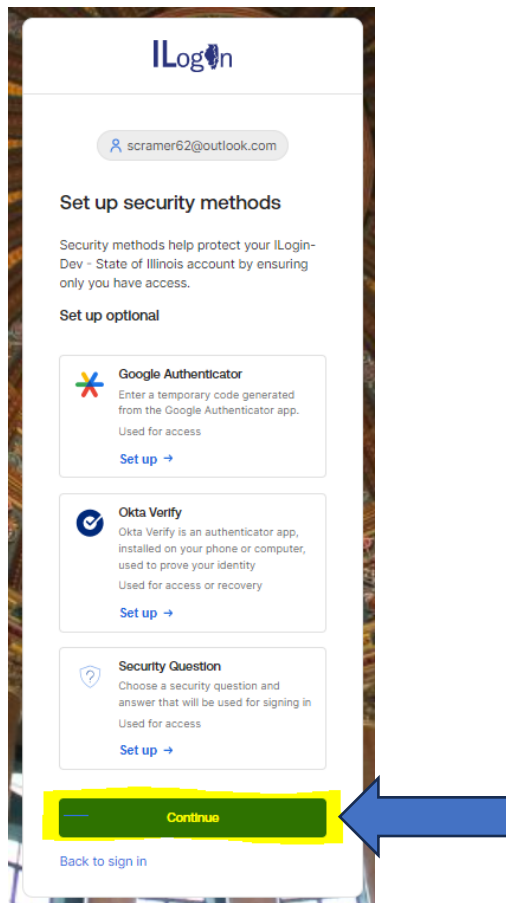

The screenshot shows the ILogon mobile application interface. At the top, the "ILogon" logo is displayed. Below the logo is a mobile phone icon. A search bar with a magnifying glass icon is visible. The main heading is "Set up phone authentication". Below this, there is a message: "A code was sent to your phone. Enter the code below to verify." followed by "Carrier messaging charges may apply". There is a section labeled "Enter Code" with a text input field. Below the input field is a blue "Verify" button. At the bottom, there are two links: "Return to authenticator list" and "Back to sign in".

8. Verify your email. Sign in to your email account, and look for an email from "State of Illinois." Click the "Verify your email" button and enter the verification code on the screen below.

9. You can choose to set up optional security methods or select "Continue."

10. You will then be directed back to the CORE page, where you can log in with your new account.
