Attention Title Insurance Companies, Title Agents, and Independent Escrowees:

New changes are coming to the Anti-Predatory Lending Database. First, a new search function will be available in the APLD to search for loan applications, certificates of compliance, and closing reports by APLD loan application ID. In addition, certificates of compliance can be updated and loan applications can be released through a search by APLD loan application ID. Existing search functions will continue to be available and remain unchanged.

Second, the closing disclosure file size upload has been increased to two (2) megabytes. This will ensure that users can upload all pages of a legible and complete closing disclosure into the APLD.

Additional news and reports pertaining to the APLD are available on the Department's website at the following web address: [APLD News & Reports \(illinois.gov\)](http://aplnewsandreports.illinois.gov)

Any questions or concerns can be directed to Kari Beyer at Kari.Beyer@illinois.gov or by direct dial at 312-835-9040.
