### **Social Equity Criteria Lottery List of Lottery Participants by BLS Region**

The Illinois Department of Financial and Professional Regulation (“Department”) has compiled the below list of participants in the upcoming Social Equity Criteria Lottery (“SECL”). Participants are identified in the BLS Region in which they applied. If you believe you have identified an error in the participant list, please complete and submit the Contestation Form available [here](#). After the Department posts the list of participants, applicants have 5 (“five”) business days, until 5:00 p.m. Central Time on May 5<sup>th</sup>, 2023, to submit this form to [FPR.AdultUseCannabis@illinois.gov](mailto:FPR.AdultUseCannabis@illinois.gov). See 68 ILCS 1291.400(e). The Department may post a final list or announce that the below list has remained unchanged at any time after those five business days. The Department anticipates announcing the date of the lottery when it posts such lists.

<b>Term</b>	<b>Meaning</b>
Proposed Entity Name	This is the name the applicant submitted as its “Proposed Entity Name” on the original application. Some applicants chose to use a business or corporate name, such as an LLC. Applicants were not required to have formed a business entity prior to submitting an application, therefore some applicants may be identified as placeholders like “TBD” or other generic proposed names.
Unique Application Number	The Unique Application Number (UAN) is the individual identification number associated with a singular, particular application.
Unique Lottery Number	<p>The Unique Lottery Number (ULN) is assigned to each entry in the SECL. The ULN number is similar to a commonly understood “lottery ball number” although the Illinois Lottery uses a highly advanced computer system and not actual lottery balls. Each UAN is assigned a ULN.</p> <p>The Illinois Lottery’s computer system uses a 9-digit number. Once the Department posts the Official Draw Results from the Illinois Lottery, the ULN number will be preceded by 6-8 zeros, depending on how many ULNs were needed for that particular BLS Region.</p> <p>For example, if your group has the ULN number “1”, the Illinois Lottery’s system will display it as “000000001”.</p>
