

**Updated:** February 20, 2026

## Combined License List

This document combines the 3 license lists currently in existence. Use the table of contents below and on each license type page to find the relevant information for the different license types. Information regarding medical dispensaries can be found in the Active Adult Use Dispensary Organization Licenses list, which identifies locations that also serve medical patients.

### Table of Contents

## Original Lottery Conditional License List

The below list identifies the current holders of a Conditional Adult Use Dispensing Organization License (“Conditional License”) in the BLS Region in which that Conditional License was issued. This list will be updated as more Conditional Licenses are issued, have updated expiration dates, or are issued their corresponding Adult Use Dispensing Organization License pursuant to Section 15-36 of the [Cannabis Regulation and Tax Act](#). (“15-36 License”).

If an entity has a “yes” in the column indicating a 15-36 license has been issued, this means that entity has obtained an operational [Adult Use Dispensing Organization license](#). A blank in that column does not mean the entity has been denied a 15-36 License.

Please note that a Conditional License does not authorize the Conditional Licensee to engage in the sale of cannabis until the Conditional Licensee is issued a 15-36 License. See 410 ILCS 705/15-25(f); 410 ILCS 705/15-35 (e); and 410 ILCS 705/15-35.10(e).

A ~~strike through~~ indicates a conditional license which was rescinded by the Department.

## SECL Conditional License List

**Published: May 3, 2024**

**Updated: February 20, 2026**

The list below identifies the holders of Conditional Adult Use Dispensing Organization Licenses (“Conditional License”) in the BLS Region in which the Conditional Licenses were issued from July 2023’s Social Equity Criteria Lottery (“SECL”). This list will be updated as more Conditional Licenses are issued, have updated expiration dates, or are issued their corresponding Adult Use Dispensing Organization License pursuant to Section 15-36 of the Cannabis Regulation and Tax Act. (“15-36 License”). If a row is blank, it means that the corresponding conditional license has not yet been issued. A ~~strike through~~ indicates a conditional license which was rescinded by the Department.

If an entity has a “yes” in the column indicating a 15-36 license has been issued, this means that entity has obtained an operational Adult Use Dispensing Organization license. A blank in that column does not mean the entity has been denied a 15-36 License.

Please note that a Conditional License does not authorize the Conditional Licensee to engage in the sale of cannabis as a Dispensing Organization as defined in the Cannabis Regulation and Tax Act until the Conditional Licensee is issued a 15-36 License. See 410 ILCS 705/12-10; 410 ILCS 705/15-36(a).
