WHEREAS, the Governor further ordered that the requirement that the Secretary shall only exercise this authority "in coordination with the Illinois Emergency Management Agency and the Department of Public Health" remains in effect and that in exercising this authority, the Secretary shall work closely with the Directors of the IEMA and IDPH to ensure any impacted licensed professionals are aiding in the response to the disaster; and

WHEREAS, Section 2105-400(a)(2) of the Civil Administrative Code (20 ILCS 2105) authorizes the Secretary of IDFPR to modify the scope of practice restrictions for physicians and surgeons licensed to practice medicine in all of its branches under the Medical Practice Act ("MPA"), 225 ILCS 60/1, including the delegation of authority; and

THEREFORE, the Secretary of IDFPR, Mario Treto, Jr., hereby orders the following, pursuant to his authority under 20 ILCS 2105- 400(a)(1):

1. The restrictions on delegation of authority of licensed physicians and surgeons licensed to practice medicine in all of its branches under the MPA which would prevent them from delegating any and all authority prescribed to them by law to IMG physicians who are working in response to the public health emergency declared by the Governor, are suspended to allow licensed physicians and surgeons licensed to practice medicine in all of its branches under the MPA to delegate authority to IMG physicians to provide vital healthcare services in Illinois.

6. This Order does not apply to any IMG physician who holds a license as a licensed physician that is revoked, suspended, or otherwise encumbered.
