VARIANCE

Pursuant to the authority granted to me by 77 Illinois Administrative Code 3100.480, I hereby grant a Variance to the provisions of 77 Illinois Administrative Code 3100.30(b)(1), which states that the fee for a certificate of registration to dispense controlled substances listed in Schedules II through V of the Act is \$100 and that the fee for the renewal of such registration shall be calculated at the rate of \$50 per year.

The purpose of this Variance is to vary 77 Illinois Administrative Code 3100(b)(1) to clarify that the increase in fees for a controlled substance license to dispense controlled substances listed in Schedules II through V of the Act shall apply only to pharmacy-related licenses. All other licensees holding a controlled substance license to dispense controlled substances listed in Schedules II through V of the Act shall be charged a fee of \$5 for initial application and \$5 per year for renewal.

This Variance is in no way intended to waive or modify any statute, rule or regulation concerning the licensure or practice of pharmacy. The Applicant shall comply with all additional rules and regulations contained in the Pharmacy Practice Act, et seq., and the rules promulgated thereto. This variance shall expire one year after signing.

I have determined that the provision from which this Variance is granted is not statutorily mandated; no party will be injured by the granting of this Variance; and the rules from which this Variance is granted would, in this particular case, be unreasonable.
