IMG performance during the years of training (check the appropriate box):

☐

Satisfactory

☐

Unsatisfactory

Verification of Training (complete the appropriate response and check the box):

☐

Based on a composite of annual evaluations, attest that the program has been successfully completed and the IMG has demonstrated sufficient competence to enter practice without supervision in the specialty.

☐

Based on a composite of annual evaluations, that the IMG has successfully completed _____ months of the program.

☐

The IMG has NOT successfully completed the program.

Disciplinary Action (check the appropriate box):

☐

During the dates of program at this institution, the IMG was not subject to any institutional disciplinary action.

☐

During the dates of program, the IMG was subject to disciplinary action as follows (please describe in the space below or attach a separate sheet):

Professionalism (check the appropriate box):

☐

During the dates of program, the IMG did not show any signs of behavior, drug, or alcohol problems.

☐

During the dates of program, the IMG did show signs of behavior, drug, or alcohol problems (please describe in the space below or attach a separate sheet):

Clinical Procedures:

☐

At the conclusion of program, the IMG was judged capable of performing the following procedures independently (please list in space provided):

Comments: _____

Supervisor

Date

IMG Name: _____ Period of program: _____ to _____

Summative Milestone Report

	Meets Expectations? (Y/N)
Patient Care	
PC 1 – Care for acutely ill or injured	
PC2 – Chronic condition management	
PC3 – Partner with patients, families, community	
PC 4 – Partner with patients with unclear diagnosis/diagnoses	
PC5 – Perform appropriate procedures	
Medical Knowledge	
MK 1 – Medical knowledge	
MK 2 – Apply critical thinking skills	
Systems-Based Practice	
SBP1 – Cost-conscious care	
SBP2 – Emphasize patient safety	
SBP 3 – Advocate for individual and community health	
SBP-4 – Coordinate team-base care	
Practice-Based Learning	
PBLI1 – Locate, appraise, and assimilate information	
PBLI 2 – Self-directed learning	
PBLI 3 –Improve care delivery systems	
Professionalism	
PROF 1 – Professionalism process	
PROF 2 – Professional conduct	
PROF 3 – Humanism & Cultural proficiency	
PROF 4 – Emotional, physical and mental health	
Communication	
C1 – Therapeutic patient and family relationships	
C2 – Effective communication with patients and families	
C3 – Effective relationships with colleagues	
C4 – Utilize technology to optimize communication	

Procedure Log Review

Procedure Cluster	Procedures	Year 1 A	Year 1 B	Year 2 A	Year 2 B
Anesthesia					
Gastrointestinal and Colorectal					
Genitourinary					
Musculoskeletal					
Skin					
Vaginal and operative Deliveries					
C-Section Deliveries					
Additional Procedures					

Level A = Meeting at conclusions of first six months of year
Level B = Meeting at conclusion of second six months of the year
