

Attention: Regency Beauty Institute has permanently closed all its campuses and indicated that it will mail transcripts to all students.

Students desiring to transfer to another school should go to <http://www.regency.edu/teachouts.html> and view a list of teach-out schools where they can finish their education. This may be the most advantageous option for students with federal student loans as these loans may be transferrable to new schools.

Students may also contact other cosmetology schools not on the list and inquire about transfer options. It is up to each student wishing to continue his or her education to contact schools and inquire about transfer options. If a school accepts a Regency student and if that student has completed 750 or more hours at Regency, the school must grant credit for those hours. If the student has completed less than 750 hours, it is within the discretion of the school to determine whether credit will be granted. Regardless of number of hours completed, the school has full discretion as to whether or not to accept a transfer student.
