Chairman Bonifas noted that that is unfair for individuals not to receive a Department notice for a conference only by way of an e-mail which is proof with the number of defaults at this meeting as proof. He suggested mailing out a notice as well. Mr Thompson

Board Chairman Time (con't)

said if the e-mail bounces back to mail a notice. He will check with the Director.

Gruber/Ballenger moved that General Counsel check with the Director on the high number of defaults and that the Order to Answer or Be Held in Default notice be sent by mail as well as e-mail. Motion carried.

Chairman Bonifas stated that he had an employee that left then came back having a non-renewed PERC. The individual would need to renew through the mail. Would like to see if PERC renewals could be processed online, between renewal cycles.

Pack/Taff moved that the Department implement online renewal for PERC's, between renewal cycles. Motion carried.

Mr Koehl will check on this.
