RE: BUSINESS MEETING – April 27, 2022

The April 27, 2022, meeting of the Veterinary Board will not have a physical location for participants or the public because it is unfeasible to meet in person due to the gubernatorial disaster declaration currently placed.

The Illinois Veterinary Board will convene for a meeting commencing at **11:00 a.m. on Wednesday, April 27, 2022**. This meeting is being conducted by audio or video conference without the physical presence of a quorum of the members because the Governor of the State of Illinois has issued a disaster declaration related to public health concerns and an in-person meeting is not practical or prudent because of the disaster described in that declaration. This meeting is further being conducted by audio or videoconference because the Secretary of the Illinois Department of Financial and Professional Regulation has determined pursuant to the provisions of Section 7 of the Open Meetings Act (5 ILCS 120/7) that an in-person meeting is not practical or prudent because of a disaster.
