RE: BUSINESS MEETING – November 3, 2022

The November 3, 2022 meeting of the Illinois Private Detective, Private Alarm, Private Security, Fingerprint Vendor and Locksmith Board will not have a physical location for participants or the public because it is unfeasible to meet in person due to the gubernatorial disaster declaration currently in place.

The Illinois Private Detective, Private Alarm, Private Security, Fingerprint Vendor and Locksmith Board will convene for a meeting commencing at 10:00 am on November 3, 2022. This meeting is being conducted by audio or video conference without the physical presence of a quorum of the members because the Governor of the State of Illinois has issued a disaster declaration related to public health concerns and an in-person meeting is not practical or prudent because of the disaster described in that declaration. This meeting is further being conducted by audio or videoconference because the Secretary of the Illinois Department of Financial and Professional Regulation has determined pursuant to the provisions of Section 7 of the Open Meetings Act (5 ILCS 120/7) that an in-person meeting is not practical or prudent because of a disaster.

This meeting will only be conducted remotely, and members of the public are encouraged to attend by accessing the meeting via the interactive webinar. Instructions for remote attendance are contained on the attached agenda for the November 3, 2022 meeting.

To ensure the presence of a quorum, I request you advise me three (3) days in advance of the meeting date if you are unable to attend. My email is james.koehl@illinois.gov.
