Approved CE Activities

CE may be earned/completed through the following activities:

- Attending **in person** a course or program that is offered or sponsored by an approved CE Sponsor. (The program may be inside or outside of Illinois).
- Participating **remotely** in a course or program that is offered or sponsored by an approved CE Sponsor. The course may be live or pre-recorded.

Each semester hour = 15 CE hours.

Audited courses cannot be counted for CE credit.
- Verified teaching in the field of psychology at an accredited college, university, or graduate school or as an instructor of CE programs given by approved sponsors. CE may be claimed only for the first time the material is presented/taught at the rate of 1.5 hours for each hour. No more than 10 CE hours may be earned this way each renewal cycle.

Reporting CE to IDFPR

During renewal, licensees certify a YES/NO question whether or not they have completed the CE. Most licensees will not be required to provide proof of completing CE to IDFPR.

IDFPR requires proof of completing CE in the context of license restoration, random CE audits, or license discipline.

It is the licensee's responsibility to save proof of CE and provide proof to IDFPR upon request. Licensees who are not able to provide proof of CE upon IDFPR request may be subject to discipline.

CE Waivers

A licensee may request a one-time waiver of the CE requirements for renewal in the following circumstances:

- Full-time service in the US armed forces during a substantial part of the license cycle.
- An incapacitating illness documented by a currently licensed physician. **A CE waiver will NOT be granted for the same incapacitating illness for 2 consecutive license cycles.**
- Temporary undue hardship or similar extenuating circumstances.

A request for CE waiver must:

- Be made at the time of renewal.
- Be submitted with the renewal application.
- Be submitted BEFORE the expiration date indicated on the license.
- Must include evidence from a third party of the circumstances for your request.

Requests for CE waiver will NOT be considered for late renewal, or license restoration.

When a licensee requests a CE waiver, the license is renewed to active while the request is under consideration. **This does NOT mean that the request for waiver has been approved.** A licensee requesting CE waiver will be notified by email address of record when a final decision has been reached concerning the request for waiver.

If the request is granted, no further action is required from the licensee until the next renewal.

If the request is incomplete, the Department may request additional information. Failure to provide additional information in a timely manner may result in denial of the request.

If the request is denied, the license will be placed in a non-disciplinary NOT RENEWED status until proof of compliance with CE requirements is provided to IDFP.

Out-of-State CE

A Licensee who attends **in person** a CE course or program located **outside of Illinois** that is offered or presented by an **unapproved** CE sponsor may ask for IDFP approval through the [Out-of-State CE program approval application](#).

Remote, distance, or online are not eligible for Out-of-State CE program approval and must be completed through approved sponsors or providers.
