

Upon completion of the training, each canine instructor must successfully complete a written and practical examination. The canine training facility shall make a copy of the examination or a copy of any person's examination or related records available to the Division upon request. Passage of the written examination shall require a score of 70%. Passage of the field examination shall be determined by the canine training facility in accordance with the United States Police Canine Association, Inc. (USPCA) Certification Standards (2012), no later editions or amendments included, or other nationally recognized standards. Every canine instructor shall be required to recertify annually according to the USPCA Certification Standards.

Each applicant shall state the types of odor detection training it intends to offer and shall provide copies of the following licenses, as applicable, to the Division prior to receiving canine training course approval:

- 1) United States Department of Transportation Hazardous Materials Certificate of Registration;
- 2) Drug Enforcement Administration Controlled Substance Registration;
- 3) Alcohol, Tobacco, and Firearms User of High Explosives Registration;
- 4) Illinois Department of Natural Resources Explosives Storage Certificate; or
- 5) Illinois Department of Financial and Professional Regulation Controlled Substances License Schedule I, II.

The following materials must be submitted with your application for approval of a Canine Instructor Training Course.

I. Copy of curriculum/course outline detailing:

A. Content covered in instruction:

Basic Training shall consist of a minimum of 100 hours and shall include:

1. canine handling safety procedures;
2. basic veterinary health and wellness principles, including canine first aid;
3. principles of canine conditioning;
4. canine obedience techniques;
5. search patterns and techniques; and

6. legal guidelines affecting canine odor detection operations.

Specialized Training shall consist of a minimum of 80 hours of additional training related to the particular canine discipline or disciplines in which the canine and canine handler are to be used and may include, without limitation:

1. patrol;
2. narcotics odor detection;
3. explosives odor detection;
4. cadaver odor detection; or
5. any other specialized detection discipline in which the canine and canine handler are to be used.

Instructor Training shall consist of a minimum of 20 hours of training with courses in instruction methods related to the disciplines in which the canine instructor shall teach in the course.

- B. The number of hours devoted to each of the above content areas.

II. Study Materials:

- A. List of study materials that are used; the location of the materials (i.e., given to students, available in library, etc.).

III. Description of Policies and Procedures for the maintenance of trainee records:

1. Names
2. Dates of enrollment and completion
3. Attendance

- IV. Copy of the final written examination used to evaluate trainees on classroom material; outline of content the examination is designed to test; and a description of the grading and the established score for passing of the examination.
