EDUCATIONAL REQUIREMENTS

In order to be considered for licensure in Illinois, an applicant must have completed a 6 year postsecondary course of study comprising of:

Preprofessional Education

Professional Education

2-year course of instruction, in a liberal arts or medical college.

Graduation from a medical or osteopathic college officially recognized by the jurisdiction in which it is located for the purpose of receiving a license to practice medicine in all of its branches comprised of:

- 1. at least 2 academic years of study in the basic medical sciences; and
- 2. 2 academic years of study in the clinical sciences while enrolled in the medical college which conferred the degree and with the stipulation that the core rotations of which must have been either:
 - a) in clinical teaching facilities owned, operated, or formally affiliated with the medical college which conferred the degree; or
 - b) under contract in teaching facilities owned, operated, or affiliated with another medical college which is officially recognized by the jurisdiction in which the medical school which conferred the degree is located; or
 - graduated from a medical or osteopathic college accredited by the Liaison Committee on Medical Education or the American Osteopathic Bureau of Professional Education.

PROFESSIONAL CAPACITY

Any applicant applying for temporary licensure who has not been engaged in the active practice of medicine or has not been enrolled in a medical program for 5 years prior to application must submit proof of professional capacity to the Department.

In determining professional capacity, the Department may consider the following criteria as they relate to an applicant:

- (1) Medical research in an established research facility, hospital, college or university, or private corporation.
- (2) Specialized training or education.
- (3) Publication of original work in learned, medical, or scientific journals.
- (4) Participation in federal, State, local, or international public health programs or organizations.
- (5) Professional service in a federal veterans or military institution.
- (6) Any other professional activities deemed to maintain and enhance the clinical capabilities of the applicant.

You must forward to the Department a detailed statement that clearly identifies each activity specified above that you have completed in the 2 years prior to your application that you wish the Department to consider in determining your professional capacity. The statement must be signed and dated. You must also provide documentation verifying that you have completed each activity in the 2 years prior to your application.

Upon review, the Department may require completion of additional testing, training, or remedial education deemed necessary in order to establish the applicant's present capacity to practice medicine with reasonable judgment, skill, and safety.

APPLYING FOR LICENSURE

GENERAL INSTRUCTIONS

- 1. Read these instructions; then read "Filing Instructions for Temporary Licensure," to determine the basis under which you must comply and the documentation and forms you must submit.
- 2. All documents in a foreign language must be accompanied by an original, notarized translation that has been transcribed by a person, other than the applicant, who is fluent in both English and the language of the document(s). The translator shall certify to the above requirements as well as to the accuracy of the translation.
- Forward the four-page application, supporting documentation, and fee to:
- Department of Financial and Professional Regulation ATTN: Division of Professional Regulation P.O. Box 7007 Springfield, IL 62791
- 3. Read the applicable section of the "Forms Completion Guide" (pages 8 through 10) for information concerning 4-page application and Supporting Documents prior to completing the applicable forms. You may photocopy any of the enclosed forms if additional forms are needed.
- 4. To determine the fee, consult the Fee Section, page 2. Fee payment must be in the form of a check or money order made payable to the Department of Financial and Professional Regulation.
- 5. After receipt and review of the completed application by the Department, if determination of eligibility cannot be made, you will be notified to appear for an interview before the Medical Licensing Board at a regularly scheduled board meeting.
- 6. The temporary license is issued to the hospital where clinical training is to be completed. All inquiries and correspondence from the Department **will** be directed to the Graduate Medical Education (GME) office of the hospital.
- 7. All applications for temporary licensure, including limited licenses, reissued licenses, transfers, and extensions must be on file a minimum of **60 days prior to the commencement date of the training**.
- 8. The GME office of the hospital may contact the Department directly to obtain the updated status of your application. Deficiency notices and all other correspondence regarding your application will be directed to the GME office. If you need any further assistance, please contact the GME office at the hospital.

LICENSURE METHODS AND DEFINITIONS

Following are definitions of the various methods used in issuing licenses for professionals in the State of Illinois. Some of these licensure methods may not be applicable to your profession. Refer to the enclosed instruction sheet to determine the specific licensure methods/requirements for your profession.

<u>Licensure Methods</u>	<u>Definition</u>
Examination	Applicant has applied or is required to take and pass all or a portion of an exam scheduled and/or given by the Department or a representative of the Department.
Endorsement of License	Original license issued in another state and that state's requirements were substantially equivalent to Illinois requirements at time license was issued.
Acceptance of Examination	Applicant has taken a National Exam, referred to by Illinois statute, in any state. Applicant may or may not be licensed in another state.
Restoration	Applicant has previously been licensed in State of Illinois and has allowed license to lapse long enough to require reapplication. Possible exam passage and/or committee review.
Grandfather/Waiver	Applicant will be licensed without regard to current requirements because statute allows this based on past qualification and practices (for a specified time only).
Non-examination	Applicant is licensed by meeting qualifications required by statute. There is no exam for these professions. These can be either businesses or individuals.
