****READ AND FOLLOW INSTRUCTIONS CAREFULLY****

If you hold a non-renewed controlled substances registration, you must reinstate that registration. Do not apply for a new registration.

Every person who prescribes and/or stores or dispenses any controlled substances within the State of Illinois must obtain a license issued by the Department of Financial and Professional Regulation in accordance with the Illinois Controlled Substances Act.

A separate controlled substances registration is required for each place of professional practice or business where controlled substances are stored or dispensed.

1. If you do not properly complete Parts I through VII (front and back) of the application, the application will be returned to you and licensure will be delayed.
2. It is **mandatory** that the permanent mailing address and/or business address be a street address. **P.O. boxes are not acceptable. Your Controlled Substances registration must be issued to a street address.**
3. If your professional application is pending, write "pending" in Part IV. A controlled substances registration **will not** be issued until your professional license has been issued. A controlled substances registration **will not** be issued to individuals holding a temporary license.
4. You **must** circle each drug schedule for which you are applying in Part III.
5. You **must** complete and submit the PHQ Form. Your application will not be processed without completion of this form.
