RE: Medical Board Meeting – January 5, 2022

The **Illinois State Medical Board** will convene for a meeting commencing at **9:00 a.m.** on **Wednesday, January 5, 2022**. This meeting is being conducted by audio or video conference without the physical presence of a quorum of the members because the Governor of the State of Illinois has issued a disaster declaration related to public health concerns and an in-person meeting is not practical or prudent because of the disaster described in that declaration. This meeting is further being conducted by audio or videoconference because the Secretary of the Illinois Department of Financial and Professional Regulation has determined pursuant to the provisions of Section 7 of the Open Meetings Act (5 ILCS 120/7) that an in-person meeting is not practical or prudent because of a disaster.

This meeting will only be conducted remotely, and members of the public are encouraged to attend by accessing the meeting via the interactive webinar. Instructions for remote attendance are shown below.
